

The Phoenix Police Department is releasing the following information pursuant to A.R.S. 13-3825, the Community Notification on Sex Offenders Law. The offender in this publication is living in Phoenix, Arizona. Notification must be made when certain sex offenders are released from the Arizona State Prison, accepted under an interstate compact or released from the county jail back into the community. Offenders are categorized into three levels: Level One (low risk to the community), Level Two (intermediate risk to the community), and Level Three (high risk to the community).

The individual who appears on this notification has been convicted of a sex offense which allows for community notification. He is not wanted by the Phoenix Police Department at this time.

This notification is not intended to increase fear; rather, it is our belief that an informed community is a safer community. The Phoenix Police Department has no legal authority to direct where a sex offender may or may not live. Unless court ordered restrictions exist, this offender is constitutionally free to live wherever he chooses. Citizen abuse of this information to threaten, intimidate, or harass sex offenders will not be tolerated. Sex Offenders have always lived in our communities, but because of Megan's Law, law enforcement is now able to share this information with you.

The Phoenix Police Department's Community Action Officer of the Desert Horizon Precinct may be reached at 602-495-5006, and is available to help you join or start a neighborhood watch program, as well as provide you with useful information on personal safety. If you have information regarding current criminal activity on this or any other offender, please call Crime Stop at 602-262-6151 or call 9-1-1.
